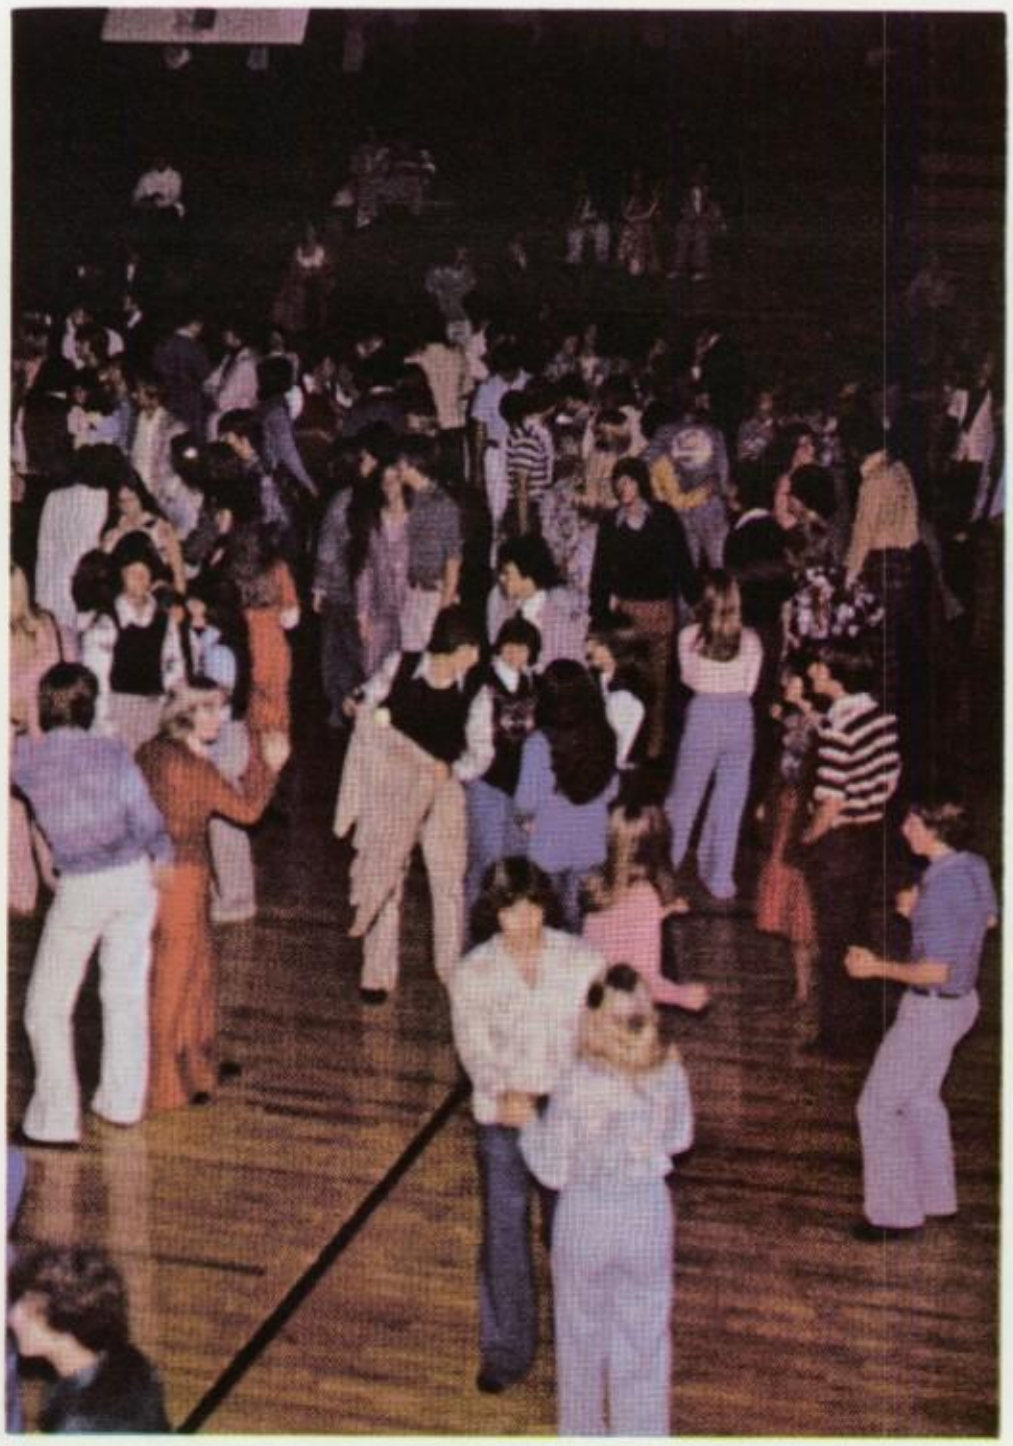
Hardworking leadership and determined success are but two of the talents a true teacher should display. These two qualities plus numerous others are outstandingly fulfilled by a well respected man here at Ledford. Because of your outstanding leadership and willingness to help others, we dedicate the 1975-76 Kaleidoscope to you, Mr. John Mauney.

Hardworking Leadership, Excellence in service, Encouragement . . . Endurance . . . Success.

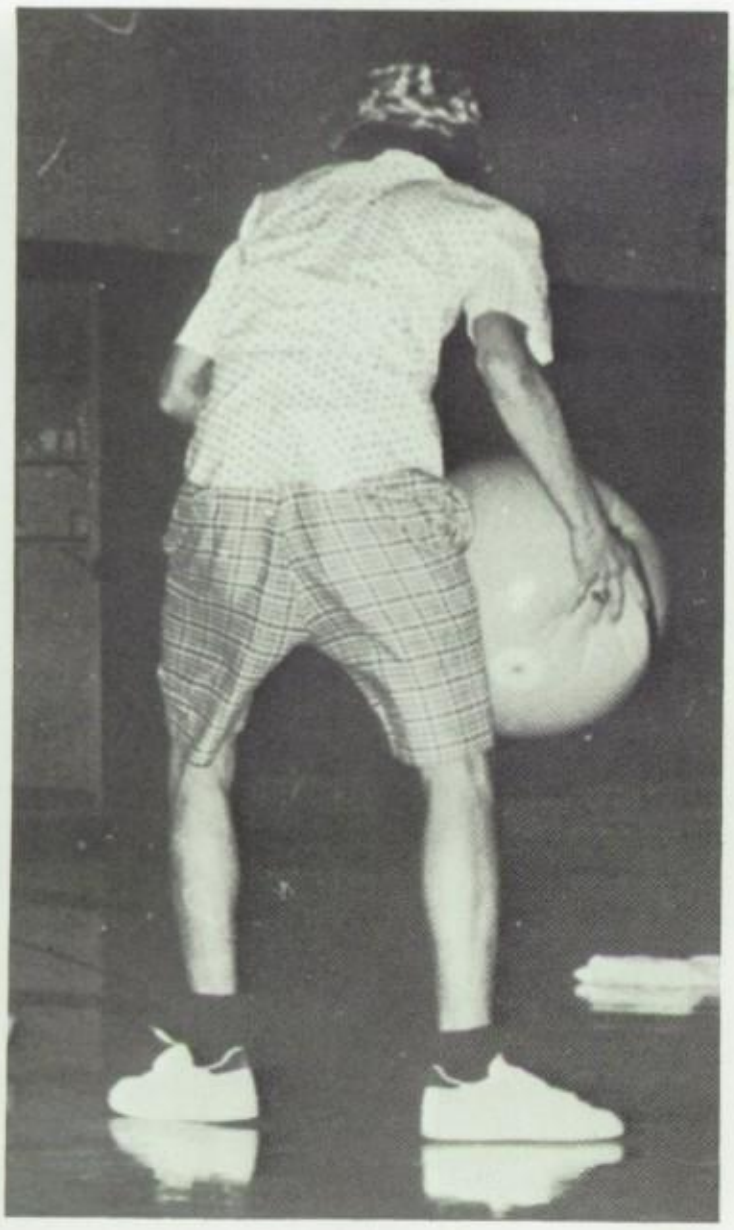
Life is a series of todays,
which so quickly turn into yesterdays,

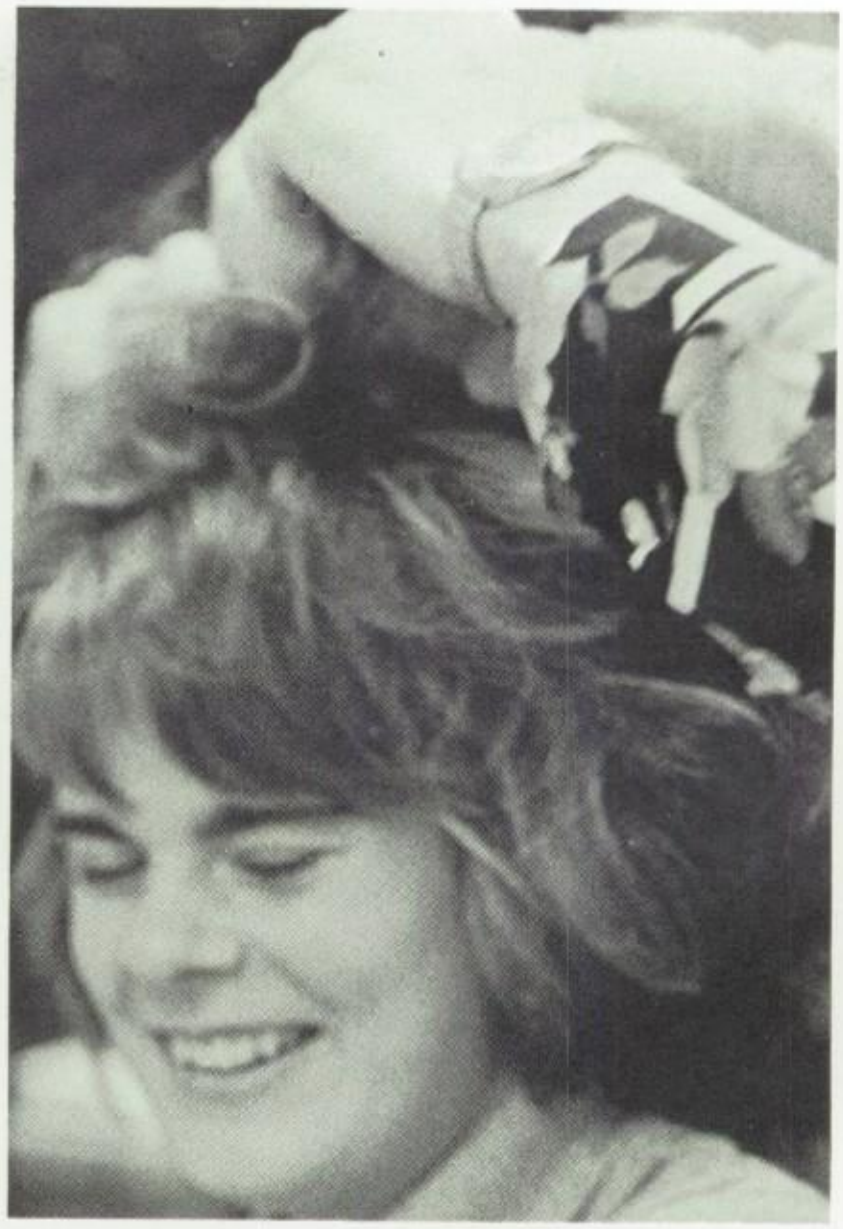
Panther

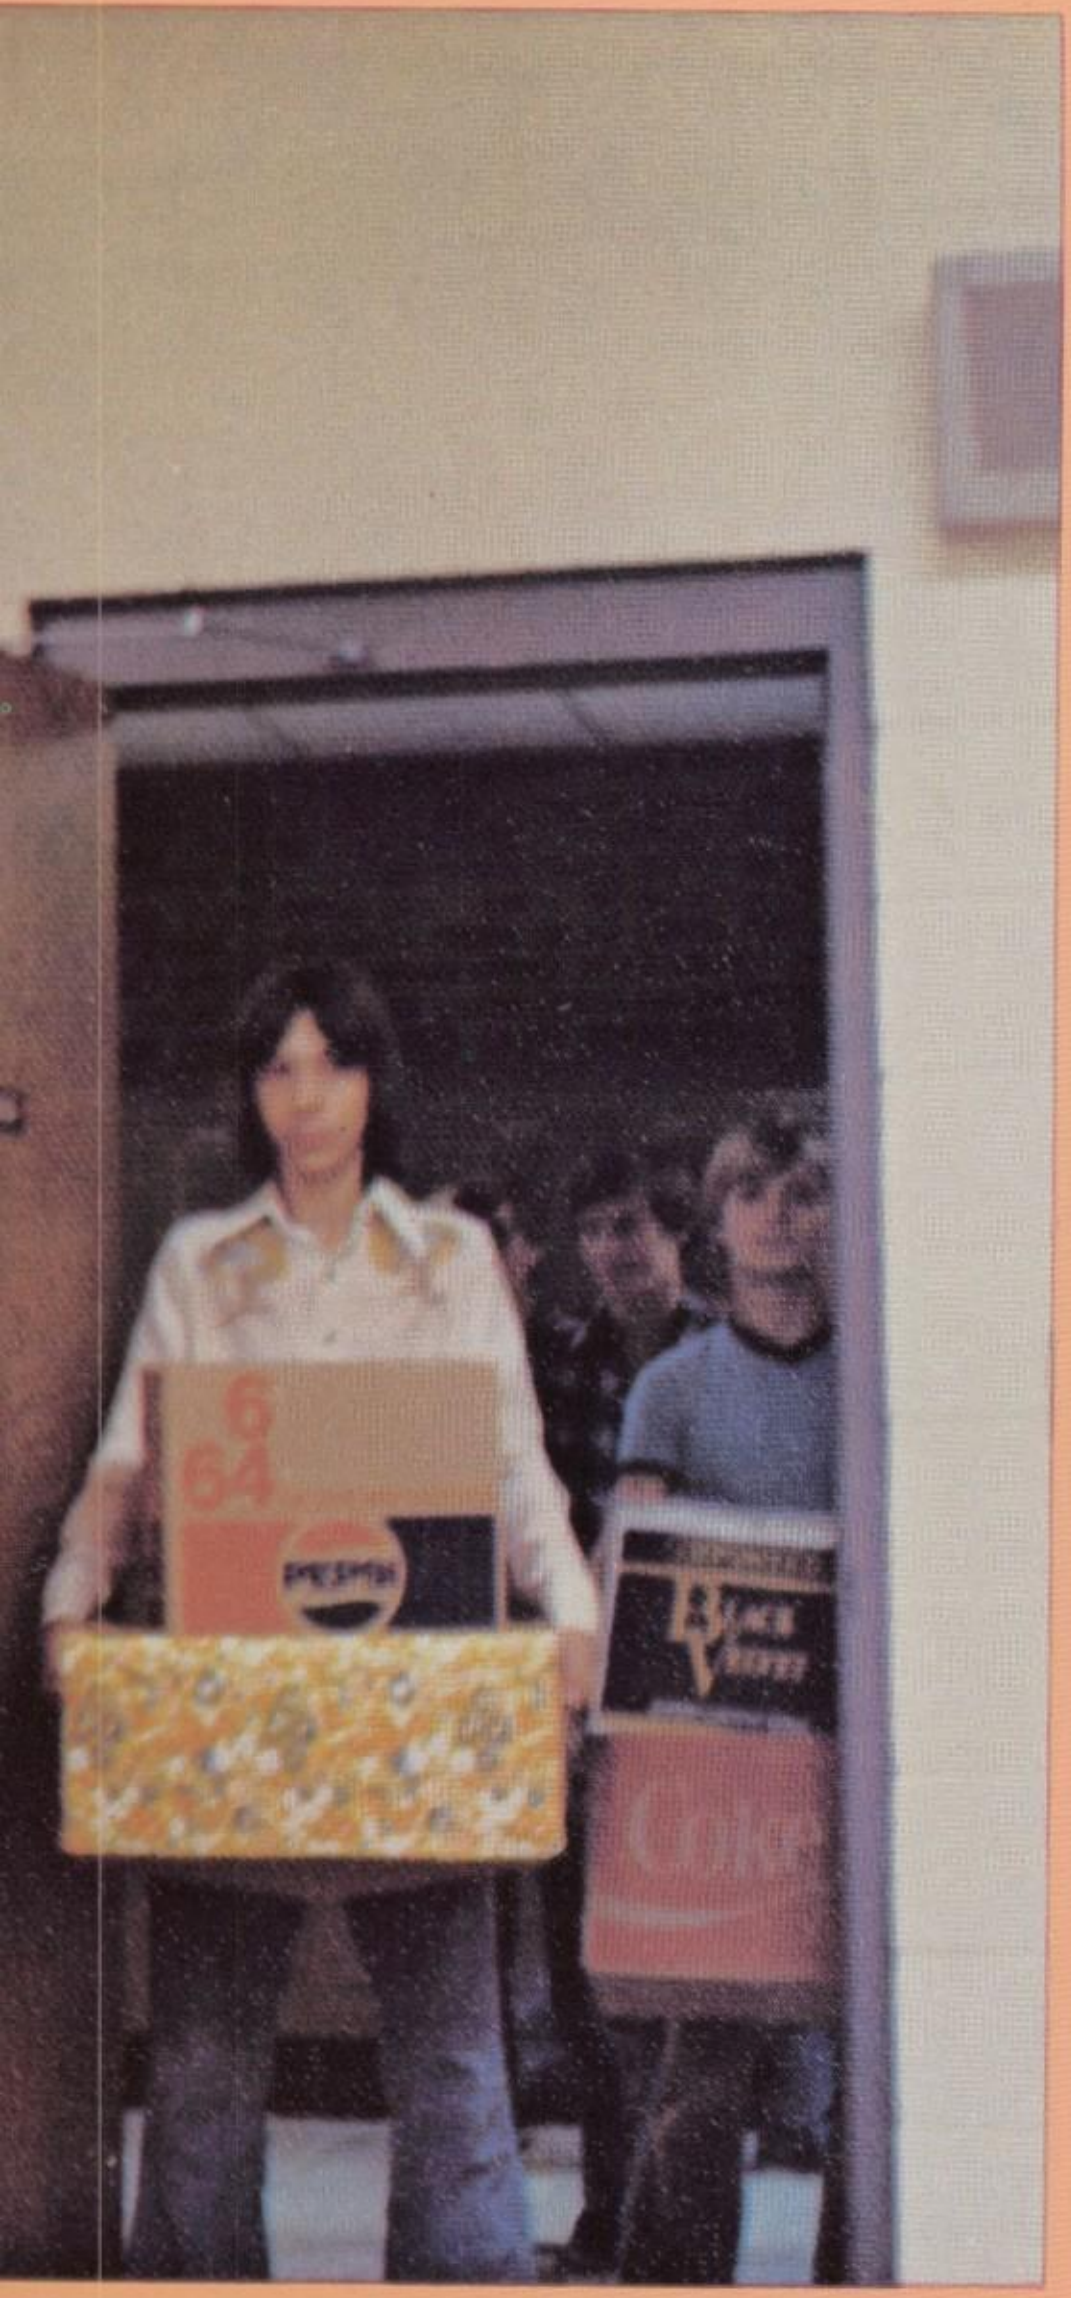
that some of us spend our time looking regretfully backward.

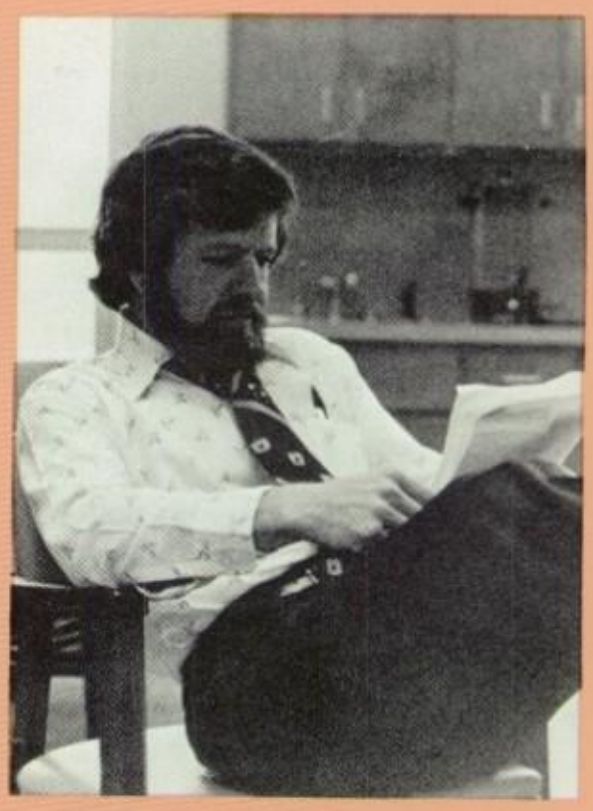


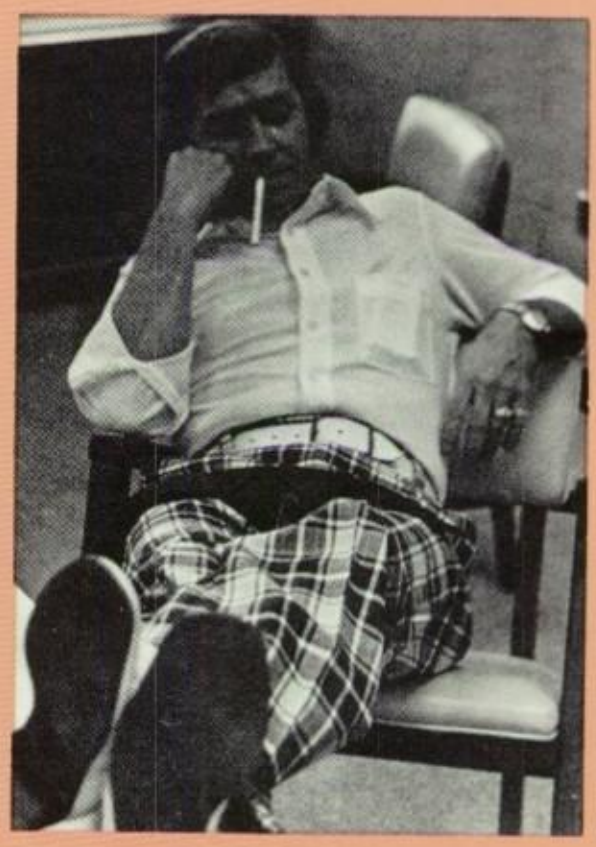
Still others,
through worry or procrastination,
are always waiting for tomorrow.







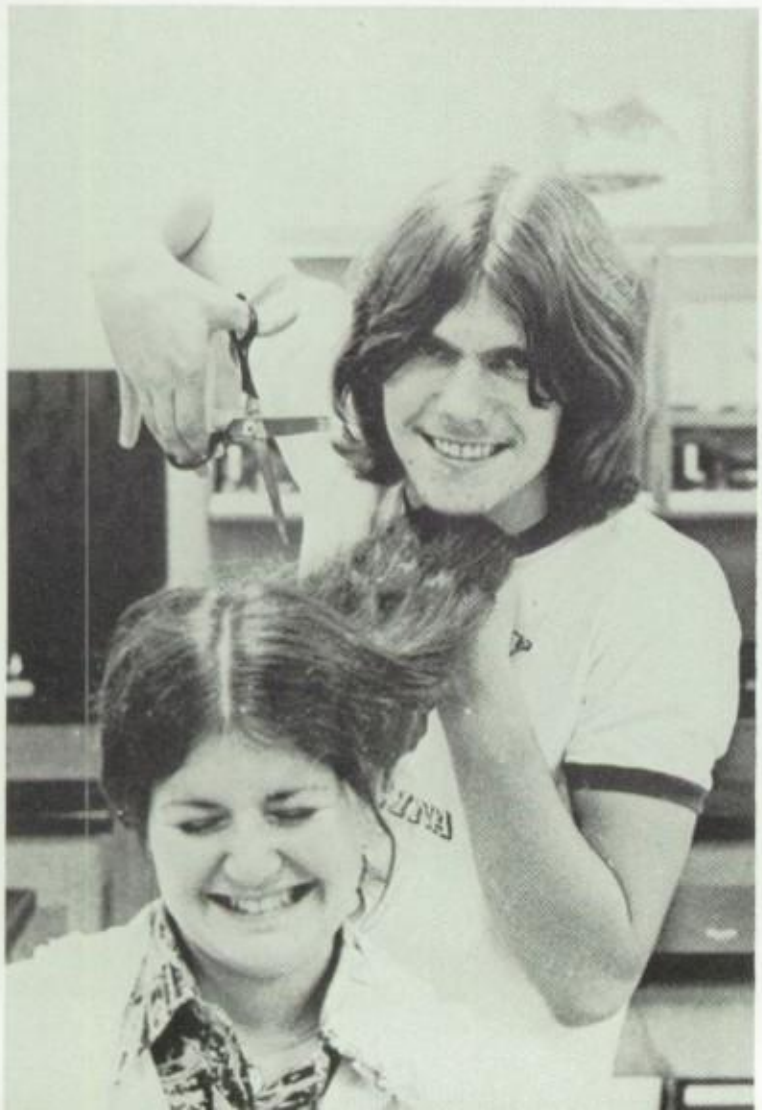


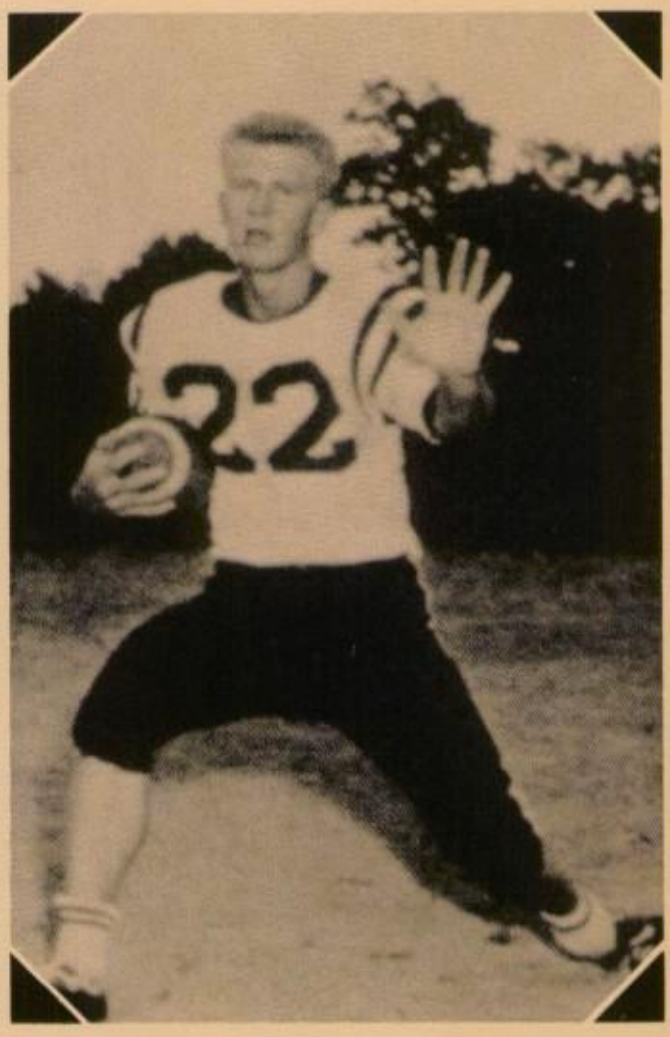


In either case,
there's the real
danger of
overlooking
a very important day . . .
today.

For this is the place

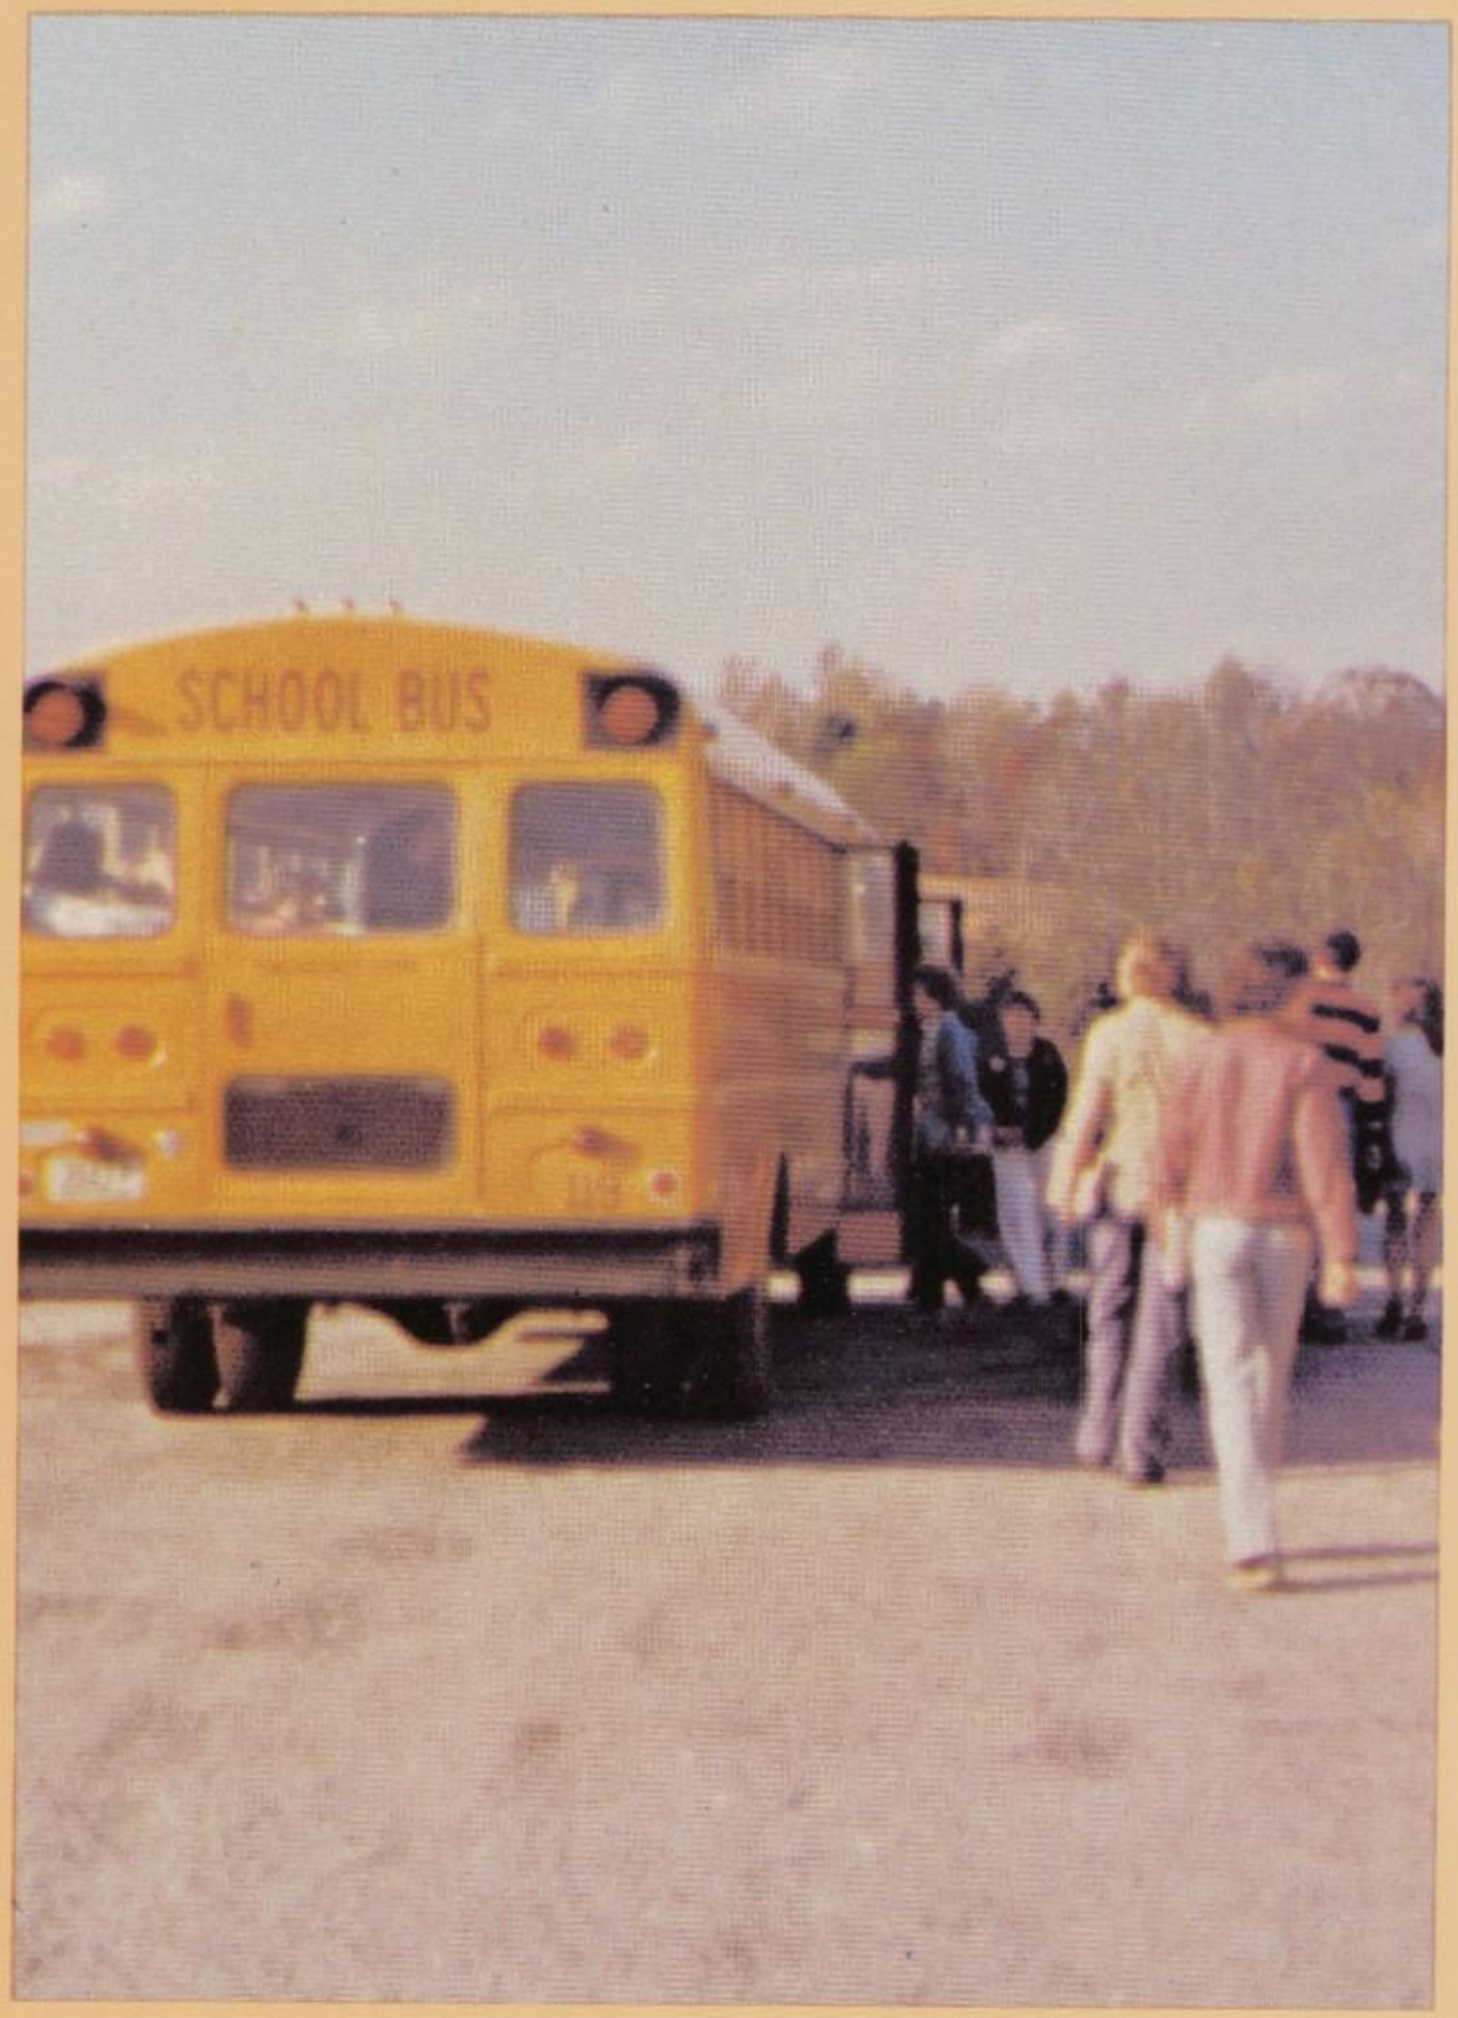
and time for living.

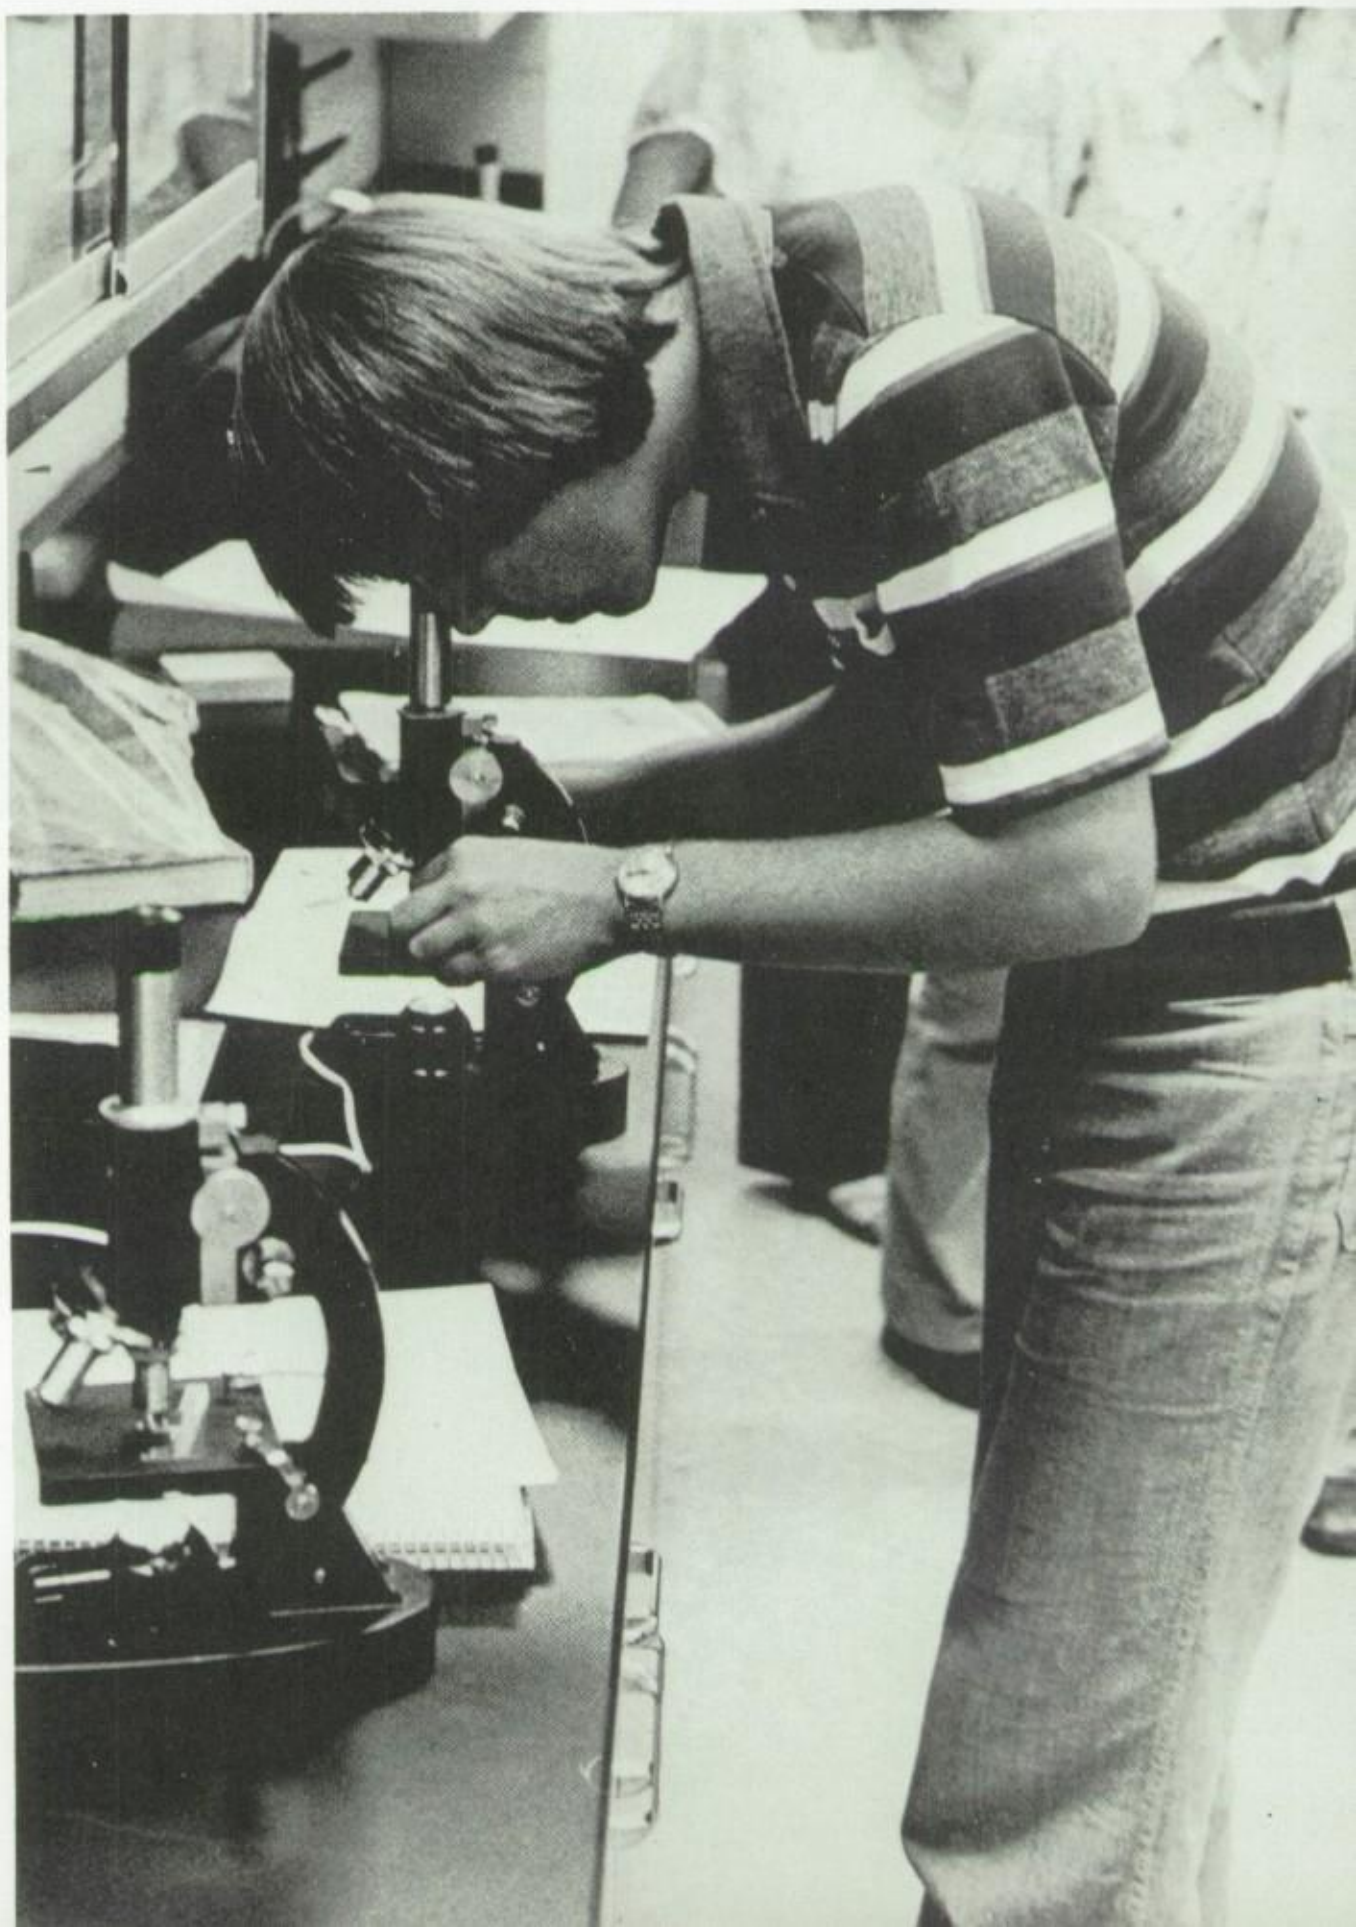




22

Let us live each day abundantly and beautifully.





Let us face the future with the highest of hopes . . .

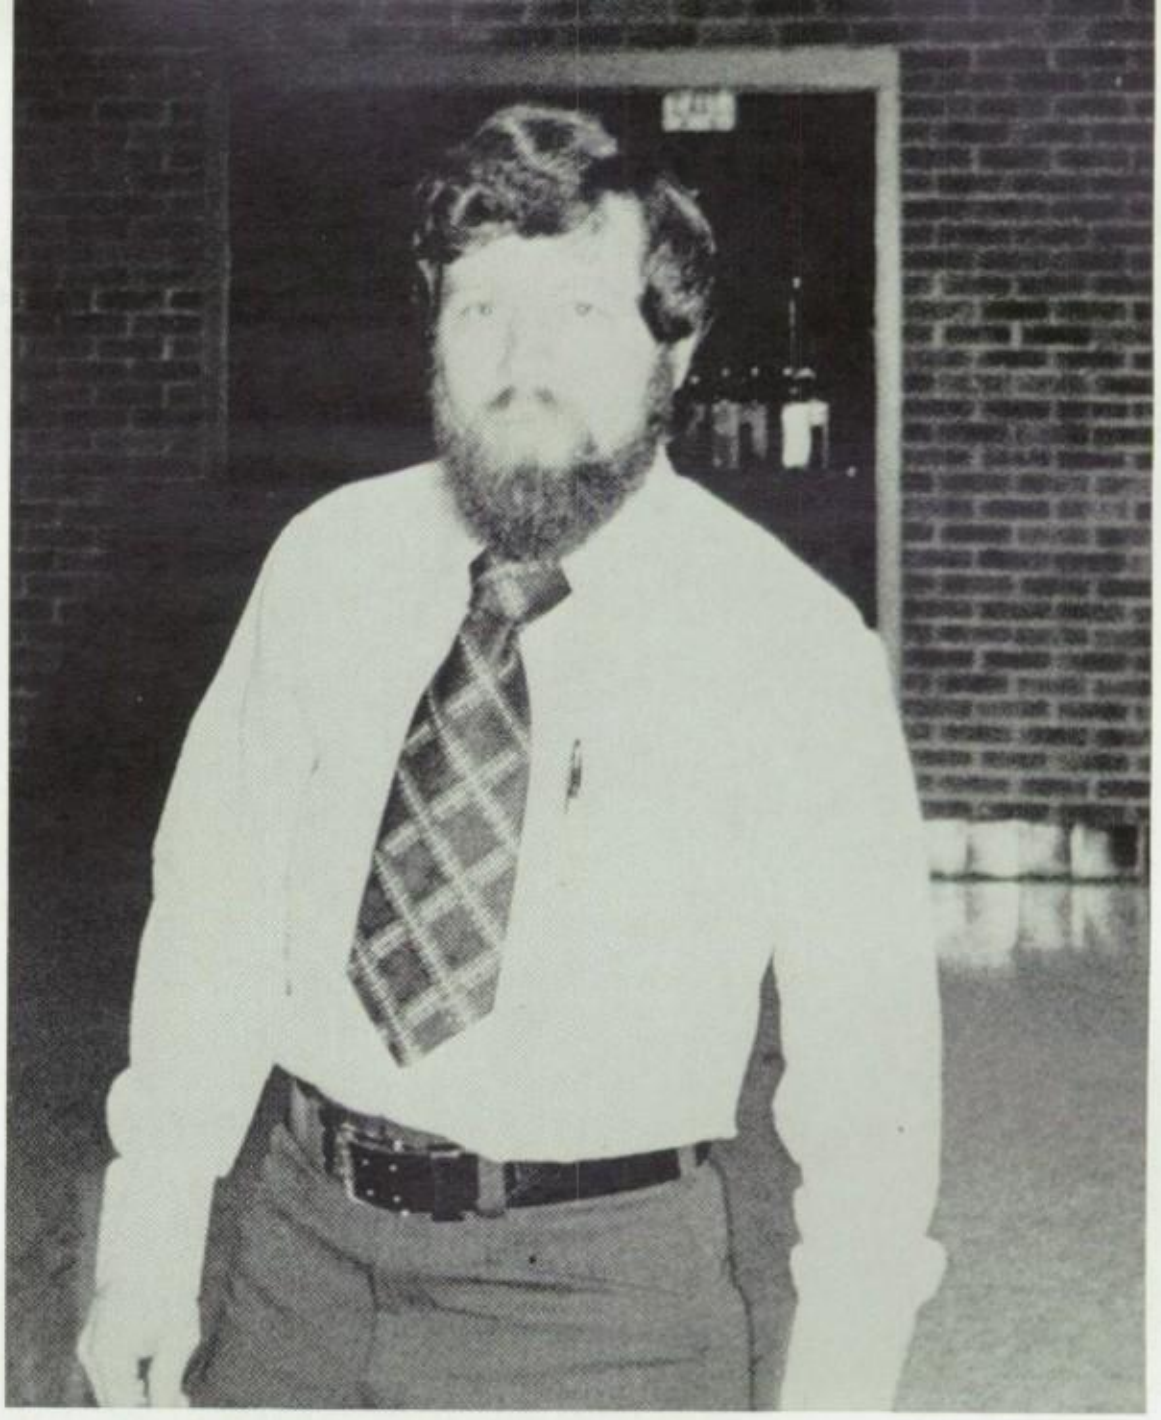
Principal

Leadership, integrity, and long hours of dedicated service are but a few of the many outstanding qualities shown daily by our principal, Mr. Carlyle L. Cox.

Because of these qualities Mr. Cox is a well respected man not only here at Ledford but throughout the community.

To fill the role of Asst. Principal, a man must go beyond the standard concept of a man. He needs two extra eyes, one that sees through closed doors; another in the back of his head that sees what he shouldn't see, but what he needs to know. And a sixth sense that allows him to get along so well with others. Such a man is our Asst. Principal, Mr. Larry McAlpine.



Assistant Principal and Secretaries

Mrs. Linda Cecil

Mrs. Mary Rickard

When the good Lord created secretaries, he sure knew what he was doing. He said that she would have to have 180 moveable parts; run on black coffee, and hurried lunches while sitting at her desk . . . answer two phones, and give service with a smile. We all agree Mrs. Rickard is truly a wonder.

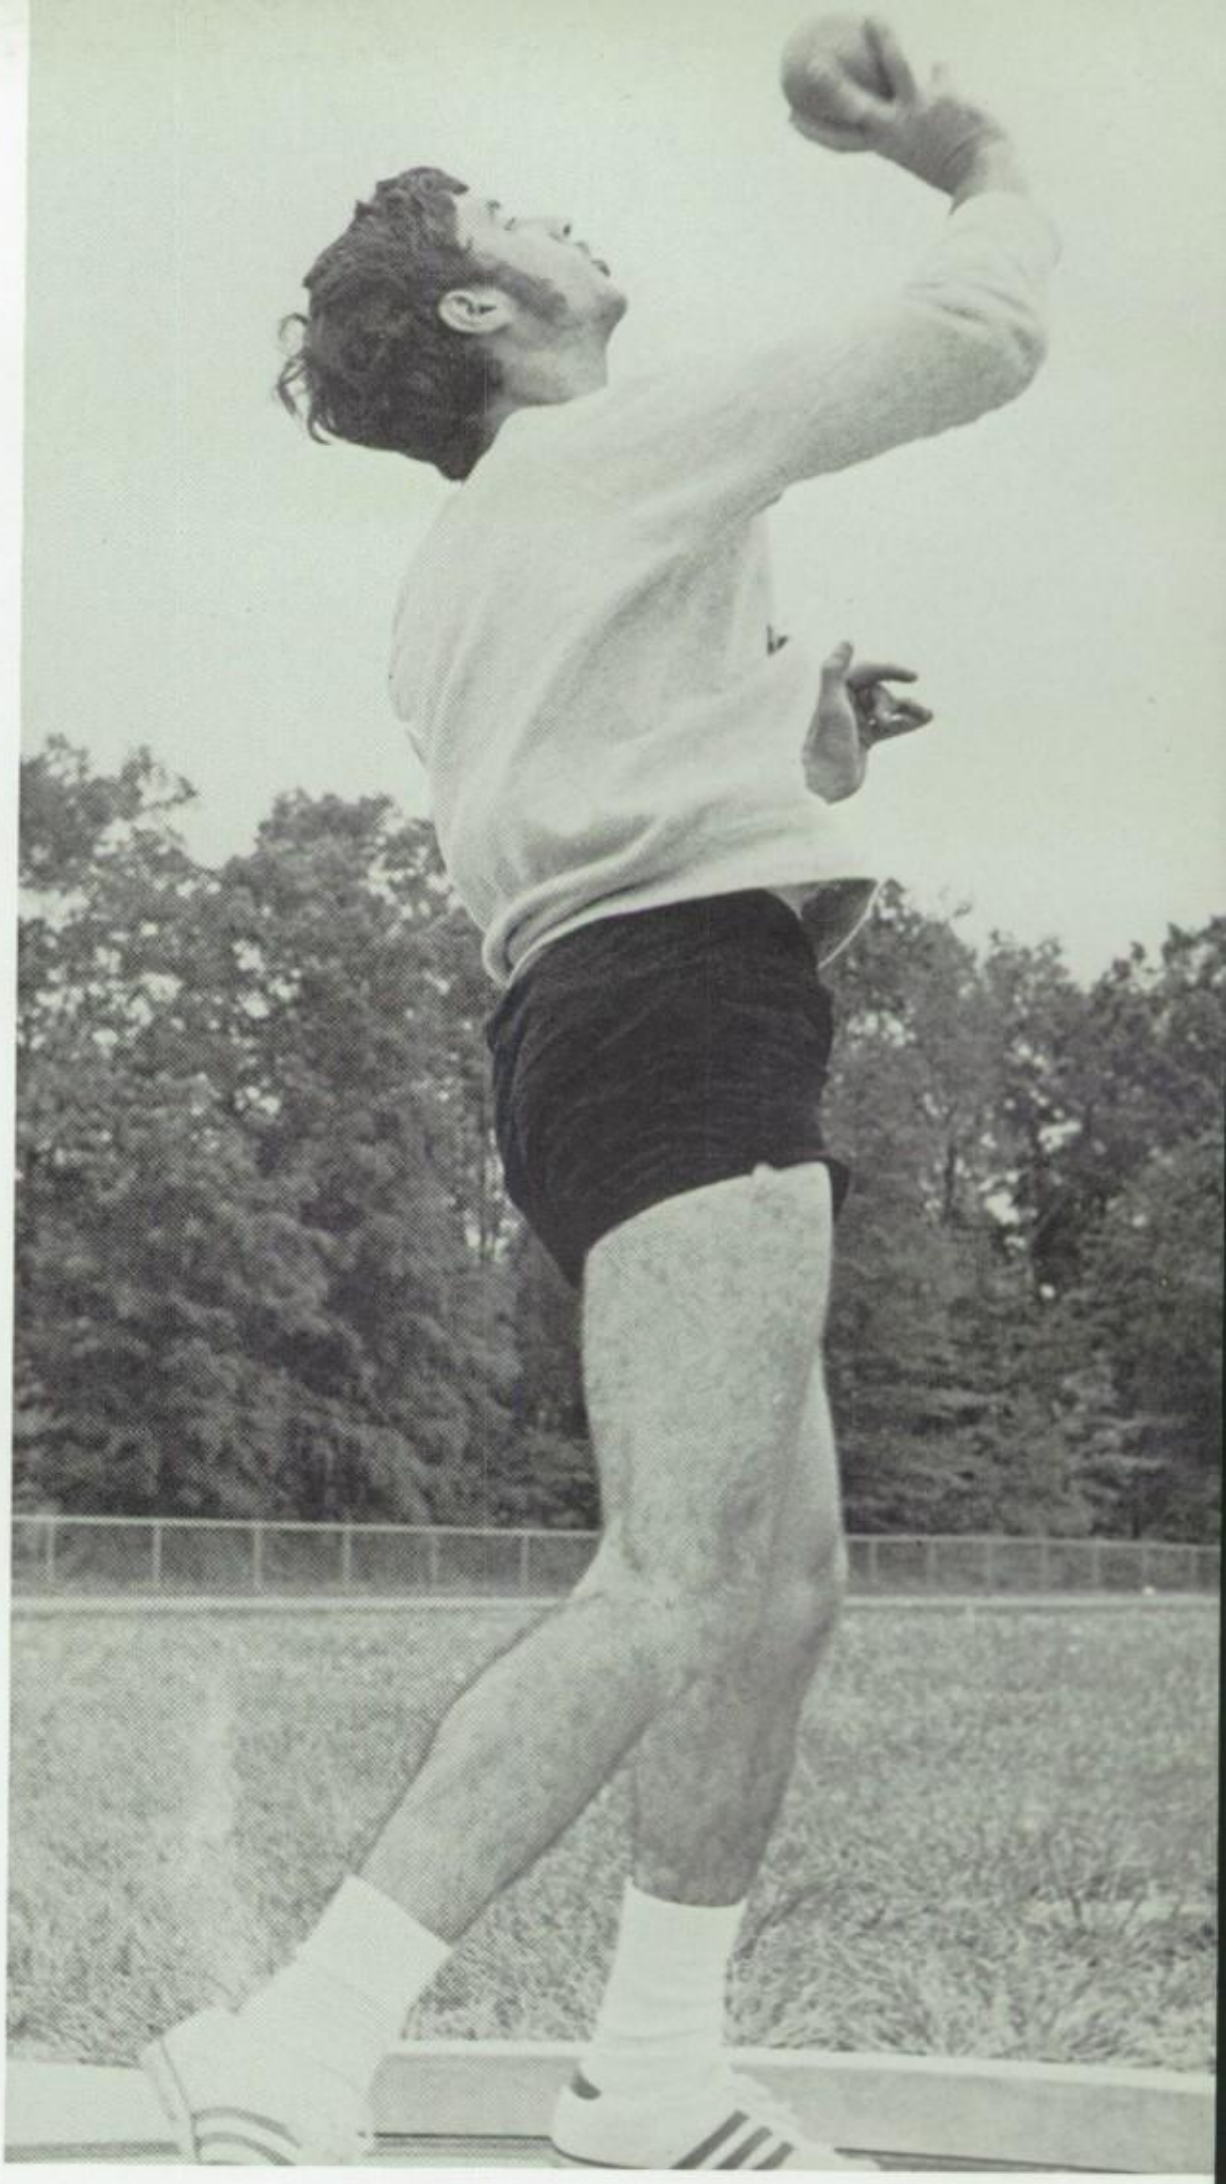
Boys' Track 1975



"The 1975 track team won the conference championship for the third consecutive year although many of the past stars were lost through graduation. The main strengths of the team were the great number of participants which provided outstanding depth in several events. The team also set seven individual records.

I feel that the team represented the school with class and contributed to the success of all of our other athletic teams.

"In the Spring of '75 the baseball team started out with only three starters from the '74 team. As a result of their dedicated effort, at the end of the season they won the Davidson County championship."

"The ten varsity cheerleaders seek to promote school spirit in a number of ways. Not only do they cheer at all varsity football and basketball games, they also prepare for the athletic banquets, decorate the gym and field with posters for ballgames, and conduct pep rallies. They also enjoy honoring the teams at various times during the seasons. They are happy to be able to make these contributions to Ledford and are proud of the Panther teams who give them so many reasons to cheer." Mrs. Browning

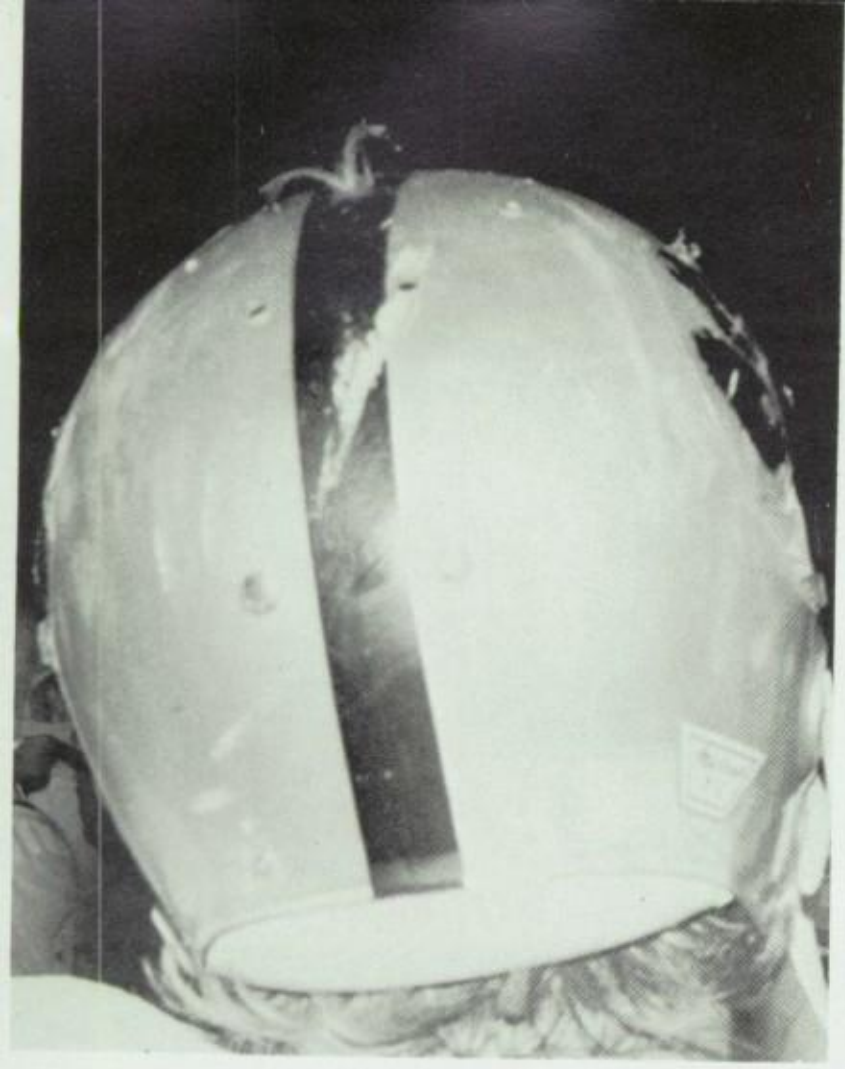
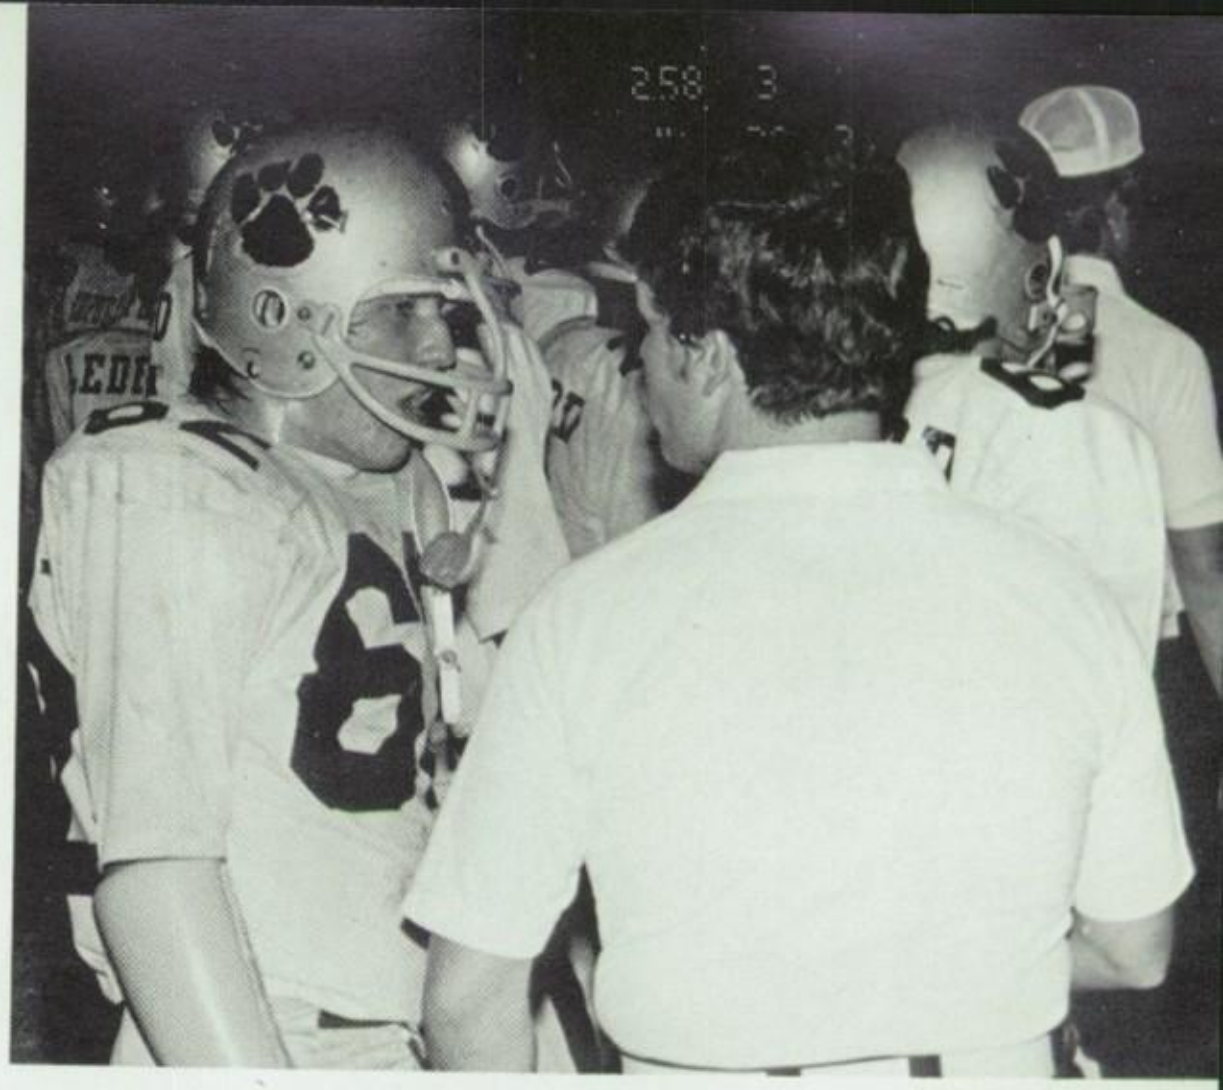
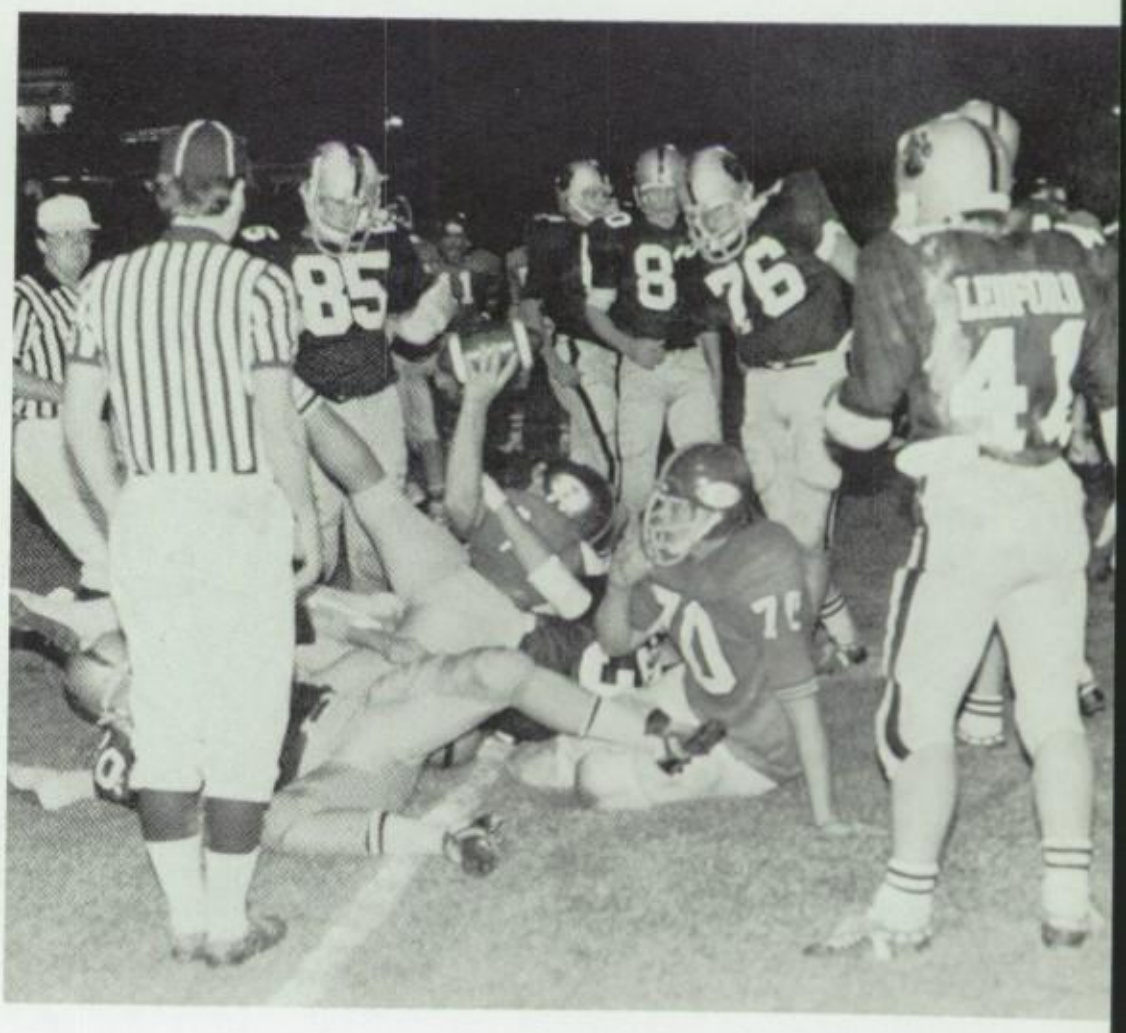
Gridiron







"This group of young men provided the school and the community with an exciting and well-balanced football team, one that everyone could be proud of. They played with pride and dedication and with an intensity that enabled them to win a championship. There was great leadership from the entire group, especially the seniors; who worked hard everyday to realize their goals. They carried on a tradition set by those before them and also set many team records."

Girls' Varsity Basketball

"This team surpassed a lot of its capabilities, on sheer hustle, determination, and hard work. Our lack of size and experience was overcome by our quickness and aggressiveness all through each game. You can measure people by the way they respond to a challenge. I feel this year's team has responded all year."

"Wrestling season in 1975-'76 was characterized by youth and inexperience. Attitude on this year's team has been exceptional in all respects. Twenty-eight prospects, more than double last year's team, turned out for wrestling.

Varsity wrestling is still one of the last frontiers in which a young man relies on his strength, desire, and determination to be successful. The challenge of self-sacrifice and self-reliance are the very things that have been the backbone of our country."

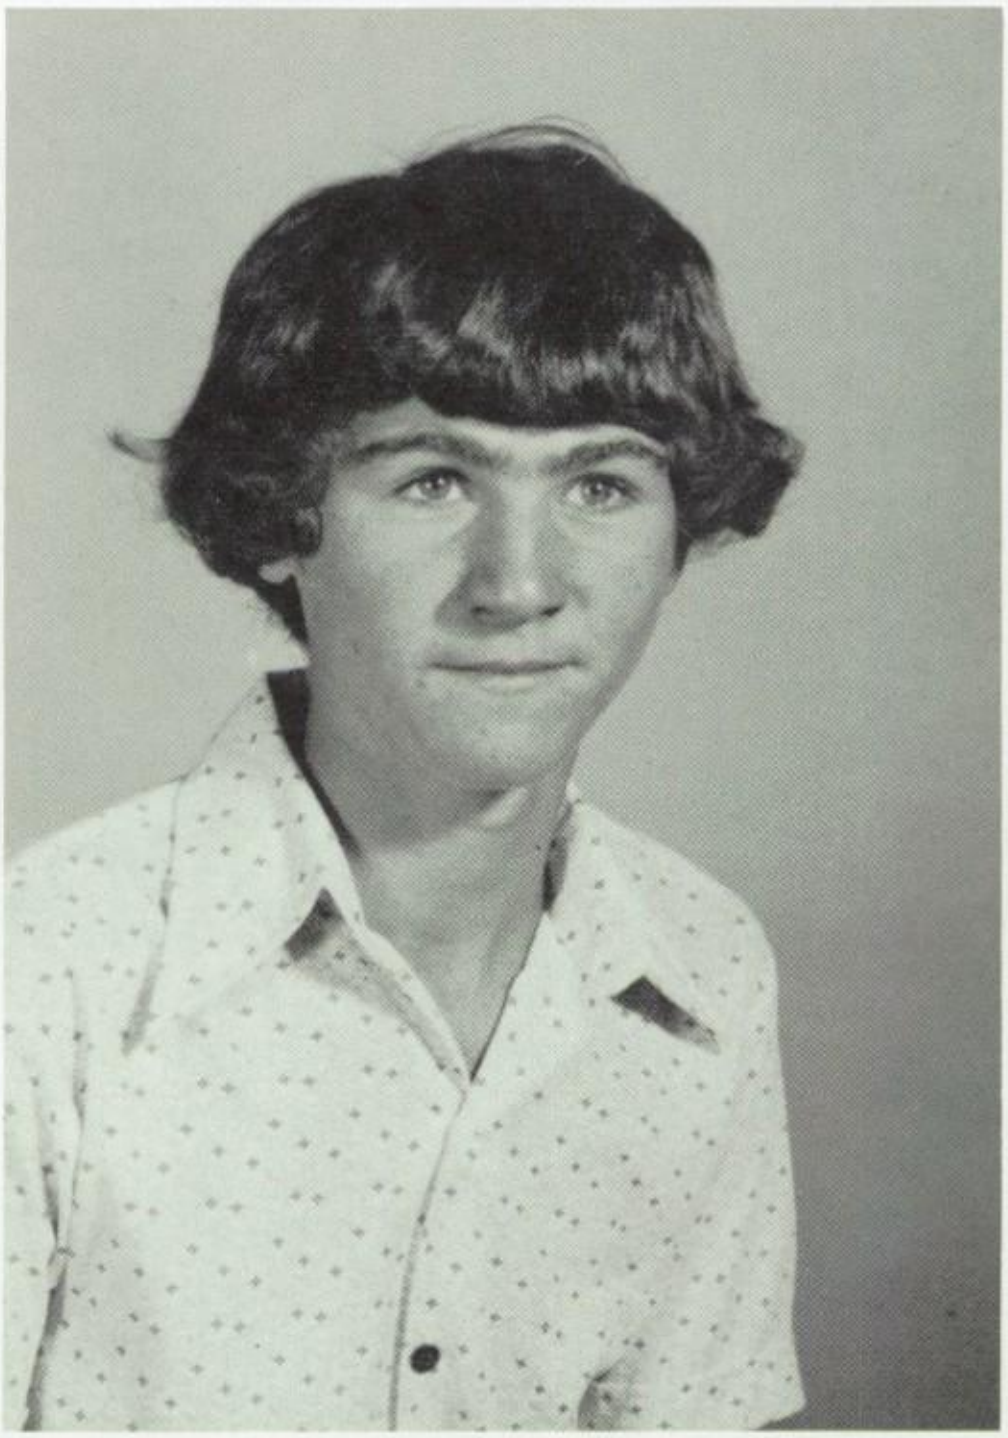
In loving memory of Mark Wayne Cecil



Born — December 19, 1959

Died — October 1, 1975

HE IS JUST AWAY

You cannot say, you must not say
That he is dead. He is just away!
With a cheery smile and a wave of the hand
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
So think of him faring on, as dear
In the love of There is the love of Here.
Think of him still, as the same, and say
He is not dead, he is just away.
